

CSA15- CLOUD COMPUTING AND BIG DATA ANALYTICS

Aim:

To create a simple cloud-based **Online Supermarket System** using Zoho Creator to demonstrate **SaaS**.

Procedure:

1. Open Zoho Creator and create a new application.
2. Create a form named **Online Supermarket**.
3. Add the required customer and shopping fields.
4. Configure the item classification with suitable categories.
5. Save the form and enter sample customer and item details.
6. Submit and verify the order details.

Output

online market system Report									
		Phone	Address	Date	name	items	quantity		
		+916578426347	chennaiu, chennai, chennai, chennai, chennai, Andorra	07-Aug-2026	lily	bovento	56		
		+916578465784	chennai, chennai, chennai, chennai, chennai, Albania	07-Aug-2026	kishore	pepsi	56
